Akili ni mali
Ursula Nafula
Abraham Muzee

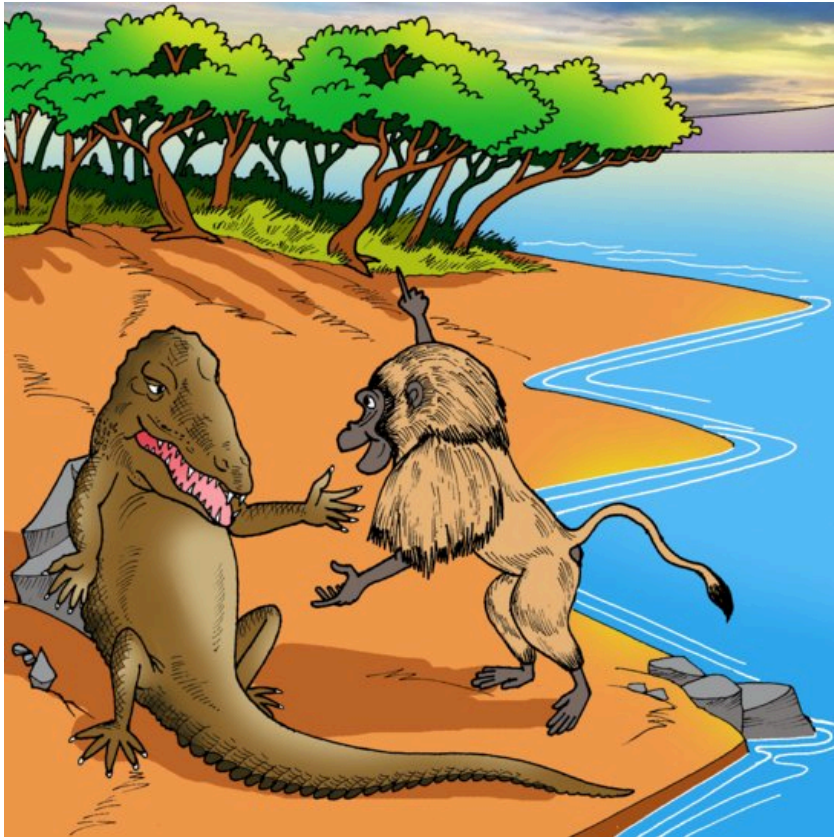

Kiswahili

Sokwe alimkuta
Mamba kando ya
mto mkubwa.

Mamba akasema,
"Nina maumivu.
Tafadhali nisaidie."

Sokwe akamuuliza,
"Unahitaji nini?"

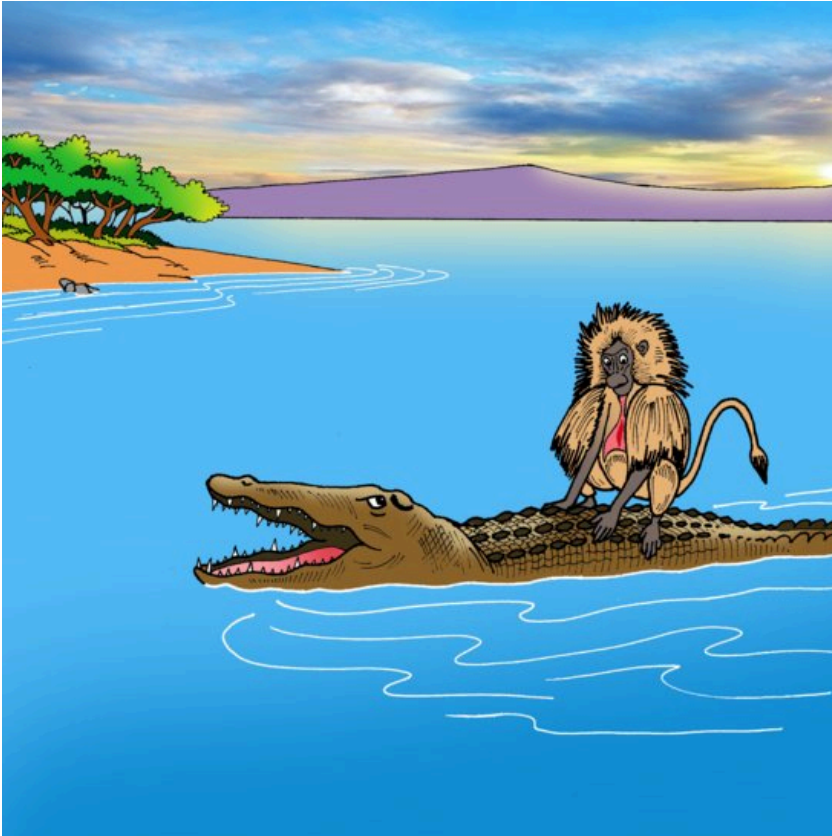

Mamba akamjibu,
"Usiponipatia
moyo wako,
sitapona."

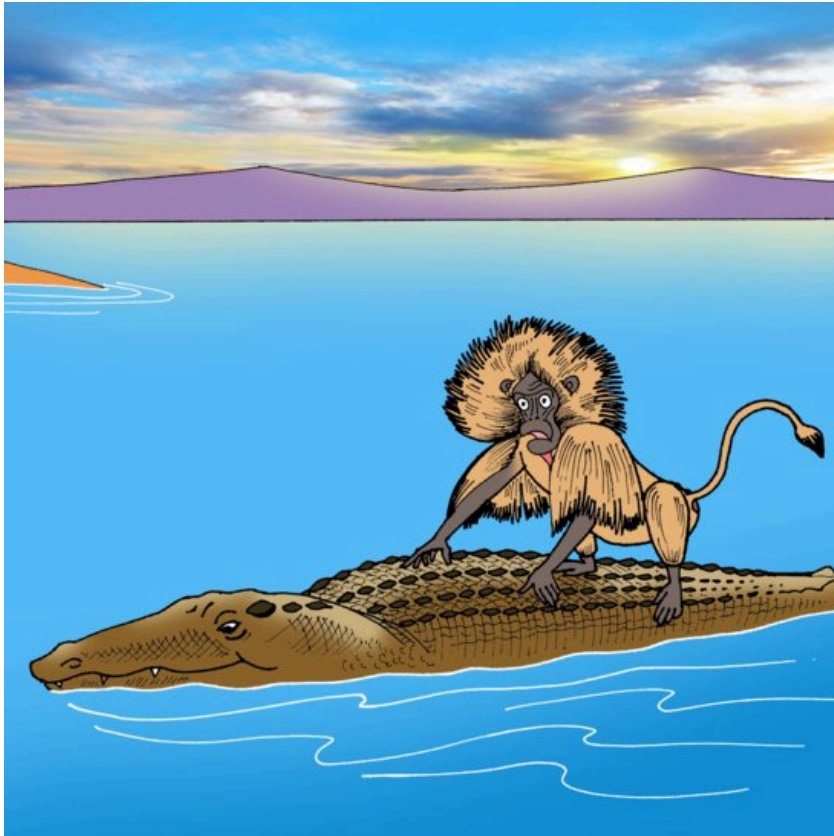

Sokwe akasema,
"Kwanza nibebe
hadi upande wa
pili wa mto."

Mamba akambeba
Sokwe mgongoni
wakavuka mto.

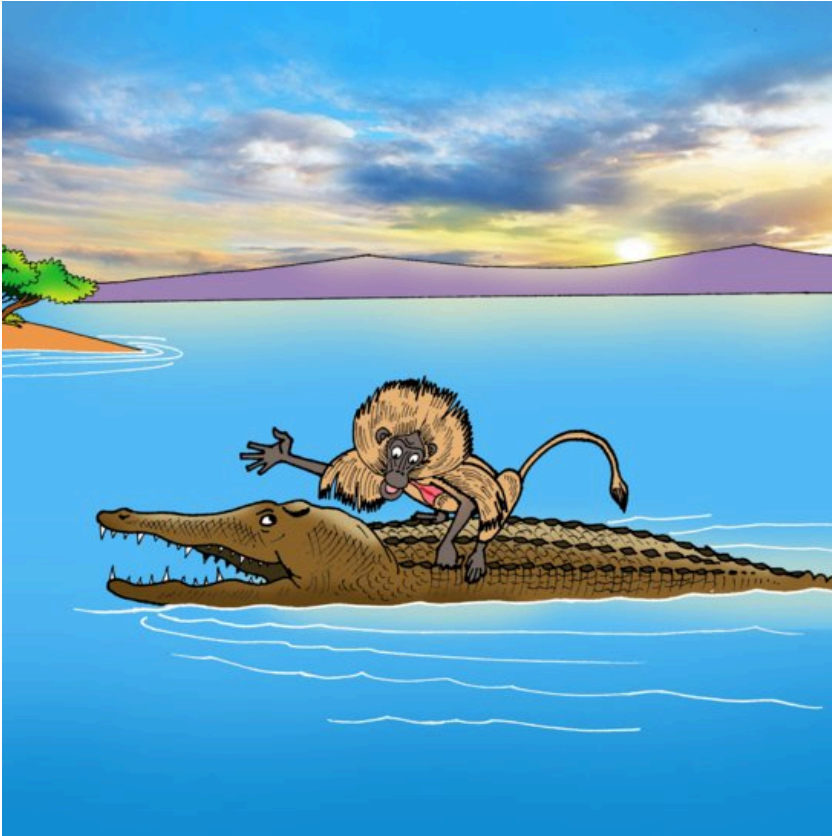

Sokwe akasema,
"Ninahitaji kisu ili
nikate moyo
wangu."

Wakati huo huo,
upepo mkali
ukaanza kuvuma.

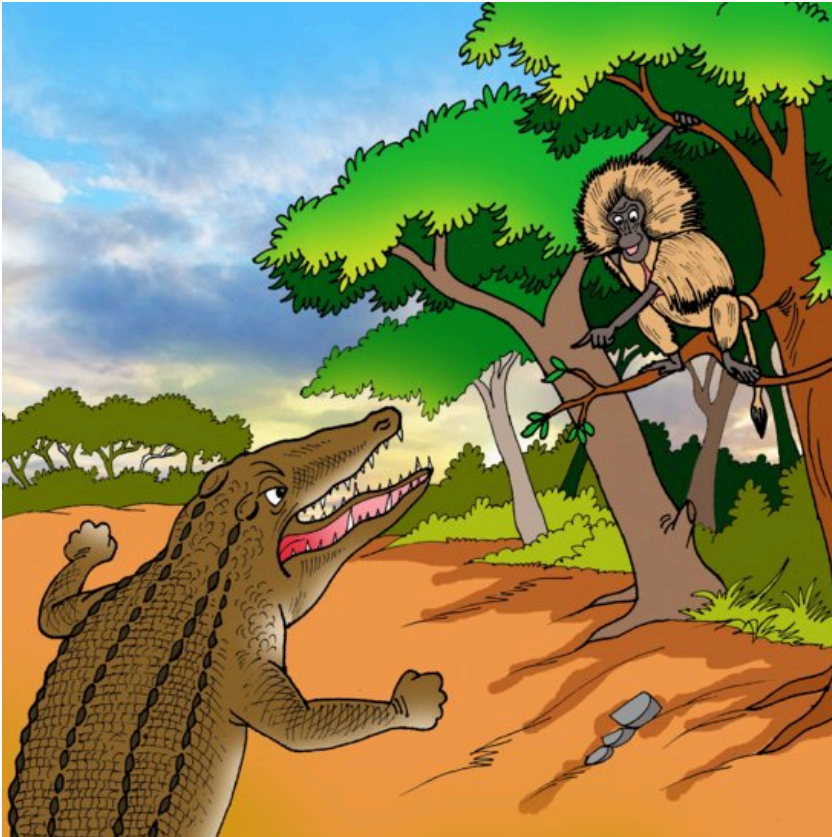

Mamba akainuliwa
juu karibu
amuangushe
Sokwe.

Sokwe alipoiona
nchi kavu,
akamwambia
Mamba
aharakishe.

Ghafla, Sokwe
akaurukia mti.

Mamba
akakasirika
akasema,
"Ulinidanganya!
Utajuta!"

Akili ni mali
