Kiswahili

Huyu ni Nataabo.

Ana ndugu sita wa
kiume.

Wazazi wake
walimpatia chungu
kidogo.

Alikipenda sana.

Siku moja, ndugu zake walikivunja chungu hicho.

Natabo hakukiona chungu chake.

Alilia kwa muda mrefu.

Natabo alitoroka
nyumbani.

Alipanda mti
mrefu.

Wazazi wake
walimsihi,
"Tafadhali, shuka
chini."

Ndugu zake
waliimba,
"Tafadhali, shuka
chini."

Natabo aliufanyia
mzaha wimbo wao.

Naye rafiki ya
Natabo akaimba,
"Tafadhali, shuka
chini."

Rafiki yake aliimba
mpaka Natabo
akashuka chini.

Marafiki hao
walienda
nyumbani pamoja.

Walisherehekea.

Natabo alipata chungu kipya!
